## REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art fails to teach, disclose, or suggest, either alone or in combination, the prior art fails to teach, disclose, or suggest, either alone or in combination, a semiconductor structure comprising:

a drain area including first and second drain portions of a first conductivity type;  
and

a second region formed below the second drain portion and having the first conductivity type;

wherein the second drain region includes a first region comprising a doping of a second conductivity type;

wherein the doping concentration of the first drain portion is higher than the second doping concentration of the second drain portion, and the doping concentration of the second region is also higher than the second doping concentration of the second drain portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
